APPROVAL OF MINUTES FROM THE JANUARY MEETING

Mr. Donald Christian made a motion to approve minutes from the meeting. The minutes were unanimously approved.

DISCUSSION ITEMS

The draft revision of the bylaws were discussed. A discussion arose about the use of the terms “ex-officio” and “ad-hoc” in the bylaws. A question was asked about why some committees were to be changed in name and scope, and it was reported that the purpose was to align each committee under each METRO chief. A question was asked about whether chiefs could participate in all committees, and it was reported that the chiefs would focus on their specific committee, but they could participate in another committee if needed. A consensus was reached to recommend the committee structure changes and the revised bylaws to the full board. A request was made that Dawn Distler present on the revised committee structure at the board meeting.
