How to Read the Schedule

Match the numbered circle on the map to the columns of times with the same number to see when the bus serves that location (these locations are called timepoints). To determine when the bus serves a stop far from the timepoint, look at the bar below the timepoint before your stop and the time with your stop, if any, and you can estimate when the bus will arrive. PM time is always bold. Be at your stop before the timepoint.

This symbol indicates transfer points. Routes serving a transfer point are indicated at the top of the time schedule, just above the name of the stop.

To determine when the bus serves a location, match the numbered circle on the map to the columns of times with the same number to see when the bus serves that location (these locations are called timepoints).

Tips for using the schedule:
- You must be at least 18 years old.
- You need a high school diploma or GED.
- You should have a temporary commercial driver’s license with passenger and air brake endorsement when you begin the job.
- You must have a safe driving record with no more than 2 points on your license.
- You must pass a drug screen & functional capacity exam prior to & after hire.
- You must have no disqualifying (Serious/Moderate) convictions.
- You must be able to work flexible hours like split shifts, nights, and weekends.
- You need to like people and give good customer service.
